X. How to Contact Us

XI. Changes to this Policy

I. How “Inchuang” collects and uses your personal information

This software will collect the required information and data as described below：

1. We will collect your Printer information (Printer serial number, Wi-Fi connected and Wi-Fi password, IP address and printer status);

2. We will collect your print job information (number of copies, paper size, Printing medium);

3. We will collect your scan job information (scan source, color, resolution, size, scanned image data);

We collect the above information to help the operating system to complete the printer driver installation,or may only collect part rather than all of the above information on some operating systems based on different product functions on these systems.The basic printing function can only be completed after the driver is successfully installed. If you refuse to use the above information, you will not be able to use the basic functions of this product.We will not use your personal information and data for purposes other than those stated herein without your consent. It is important to note that the above uses cover the primary ways in which we use your information. We will seek for your consent when we want to use information for purposes other than those described in this policy, or when we want to use information collected for a specific purpose. If the functions change then the original consent is no longer valid,then we will obtain your new consent.

II. How “Inchuang” stores and discloses your personal information

1. Storage location

This software is only a hardware driver for your printer, it is a tool to connect your computer operating system to the printer hardware, the Software uses the above information just to identify your driver software to make it smoothly installed, it does not store any of your personal information.

2. Information disclosure

1) Based on the satisfaction of the need to provide you with the required services, you agree that we may provide your information to the affiliates, dealers or distributors, authorized service providers of Inchuang and third parties related to company transactions (your information will probably be disclosed to third parties as part of a business combination or transfer).

2) We may disclose your personal information under any of the following circumstances:

• To comply with legal requirements or respond to mandatory legal proceedings (such as search warrant or other court order)

• Protect the legal rights or security of Inchuang (including its affiliates, business partners/and customers). This clause may be invalid in some countries (regions) or jurisdictions, so it may not apply to you.

III. How “Inchuang” protects your personal information

To protect your personal information against unauthorized access, misuse, disclosure or alteration, Zhuhai Inchuang Information Technology Co., LTD. utilizes reasonable and appropriate encryption procedures to ensure the security of the information collected and processed by “Inchuang”. However, please note that no website, Internet transmission, computer system or

wireless connection is completely secure, despite all reasonable steps we have taken to protect your information.

IV. How “Inchuang” handles the personal information of children

1. “Inchuang” will not knowingly collect personal information from children under the age of 13 (or equivalent minimum age specified in the relevant jurisdictions) and “Inchuang” is not target children under the age of 13 (or equivalent minimum age specified in the relevant jurisdictions);

2. If you are a child under the age of 13, please do not submit any personal information through this product;

3. If “Inchuang” receives personal information submitted by a child under the age of 13 through this product, we will delete such information in accordance with applicable law.

V. How “Inchuang” protects your right of access to information

Unless otherwise provided by law, as an individual user of “Inchuang”, you have the right to access your personal information. You can access your personal information by the following method:

1.You can send us an request to review your personal information by sending us an email (tpl-Service01@outlook.com), and we will verify your identity (to ensure the security of your account or information), and respond to your request as soon as possible within a reasonable period depending on the difficulty of the information you want to inquire about and the industry practices for information inquiry.

2. In principle, you do not need to pay for your request to review your personal information, but for repeated requests that exceed three times within three months, we will charge a certain cost as the case may be.

VI. How “Inchuang” corrects your personal information

When you found that there is an error in the personal information we have collected from you, you have the right to request us to make a correction. **You may request correction by sending us an email (tpl-Service01@outlook.com).** We will respond to your correction request within 5 days.

VII. How “Inchuang” deletes the personal information collected

1. Uninstall this software directly from your computer;

2. You may request us to delete your personal information by sending us an email (tpl-Service01@outlook.com):

- If you think that we process your personal information in violation of relevant laws and regulations;

- If you think that we have processed your information without your consent;

- If we process your personal information in violation of our agreement with you;

- If you cancel your account or refuse to use our product;

After receiving your email to request deletion of your personal information, we will undertake to take appropriate action on your request within 15 working days.

3. We may periodically review the data we hold and unilaterally delete anything that is no longer necessary to provide you with services at our discretion.

VIII. How “Inchuang”protect your right to withdraw your consent

We fully protect your right to withdraw your consent to the collection and use of personal information. When you choose to withdraw your consent, we shall not subsequently process the personal information corresponding to the authorization, and we shall not be able to provide you with the functional services corresponding to the authorization.You contact Inchuang through tpl-Service01@outlook.com to require Inchuang to do so for you.

IX. How “Inchuang” processes your personal information across borders

Currently, we will not use, store, share and disclose your personal information in cross-border business, or transfer your personal information overseas. If we need to transfer your personal information across borders due to any subsequent changes in our service content, we will only do so after obtaining your consent and meeting other conditions stipulated by laws, administrative regulations or the national cyberspace administration.

X. How to Contact Us
